

The parish is continually looking for experiences to help us grow in our faith. The youth hall renovation is in progress. Donations are being accepted for purchasing needed furnishing items. There will be a list of items and their approximate cost in the bulletin. The hall should be completed by the end of August.

There will be no meeting for September. The next meeting will be October 14th, 2015.

The meeting adjourned with a closing prayer by Father Sojan.
