<sup>1</sup> Rite of Election / Call to Continuing Conversion: These sites chosen for *space* and accessibility from other parts of diocese.

<sup>2</sup> Easter Vigil...earliest time: The GIRM says: "The entire celebration of the Easter Vigil takes place at night. It should not begin before nightfall; it should end before daybreak on Sunday." Lack of adherence to this norm prompted the 1988 *Circular Letter Concerning the*

*Preparation and Celebration of the Easter Feasts* (from the Congregation for Divine Worship) to repeat this rubric from the *Sacramentary* and to add that "This rule is to be taken according to its strictest sense..."  
The time stated is based on the sunset time for this region plus about 30 minutes. (It is always acceptable to set a later time.)
