Most gracious Heavenly Father,

We thank you for our faithful priests and bishops, whose spiritual fatherhood and example of fidelity, self-sacrifice, and devotion is so vital to the faith of your people.

May our spiritual fathers be guided by the examples of Saints Peter and Paul, all the Apostles and their saintly successors. Give them valiant faith in the face of confusion and conflict, hope in time of trouble and sorrow, and steadfast love for you, for their families, and for all your people throughout the world. May the light of your Truth shine through their lives and their good works.

Assist all spiritual fathers, that through your Grace they may steadily grow in holiness and in knowledge and understanding of your Truth. May they generously impart this knowledge to those who rely on them.

Through Christ our Lord. Amen.

Safe Environment Program

Creating a safe environment for children, youth, and vulnerable adults is a priority in the Catholic Diocese of Fort Worth. In the words of Bishop Olson, "We share a great responsibility to understand the nature of abuse and the steps we must take to establish and maintain safe, holy, and faith-affirming environments. The requirement for in-depth renewal is designed to safe guard children and young people and to protect all members of the diocesan community in parishes, schools, and ministries."

Our Safe Environment Program mandates that all clergy, religious men and women, lay employees, and adult volunteers, prior to beginning their service in the Diocese, meet three requirements:

1. Satisfactorily pass a criminal background check at the beginning of their service and every three years thereafter; and,
2. Satisfactorily complete training regarding the safe environment policy, procedures and practices at the beginning of their service and every three years thereafter; and,
3. Provide consent stating you will abide by the Code of Conduct and Behavior Standards for All Clergy, Religious and Lay Ministers for as long as they remain in service to the Diocese.

Each Safe Environment Training is good for 3 years. While many of you are still under the 3 year umbrella, some of you do need to re-take the course.

I would like to thank all who have recently completed the Safe and Sacred Session on-line training. I appreciate your commitment in helping to protect our children and vulnerable adults.

Please contact me if you think your training has elapsed and/or I will be contacting you after checking with the various ministries. If a computer is not available to you, please call me at the church office and we can provide online training here (By Appointment Only). Thank you so much for your gift of volunteering and time.

GROWING IN FAITH

Fifteenth Sunday Ordinary Time (A)

Is 55:10-11, Rom 8:18-23, Mt 13:1-23

The Book of Romans meditates on a truth we sometimes neglect, but that has inspired many artists. Creation longs to share in the freedom of God's kingdom. Sin has affected nature, so salvation will also set it free from corruption. What would a glorified planet look like? Charles Burchfield, a nature painter, tried to imagine just that.

He painted thousands of scenes from his bedroom in Salem, Ohio. He became obsessed with dramatizing landscapes and was known to sketch as he walked to and from school. His love and meditations didn't keep him from entering the army, but given his gifts, he was assigned to the camouflage unit, using his skills to paint tanks and drapery. Some of his designs are still used today.

What Burchfield discovered was that a pristine nature scene was a divine image. The forms, the colors, the patterns were all created by God and guided by his providence. By painting these scenes, one was truly touching the hand of God and entering into his mind. His painting *Eye of God in the Woods* illustrates the eye of God in a sun that pierces through the trees of a snowy forest with a rolling brook.

God speaks in nature motifs. Scripture is full of them. Jesus also used nature as a model for his teachings: seeds sown in different soils, clouds predicting rain, a sparrow, a catch of fish.

Nature is a glorious soil from which inspiration can sprout. This week, meditate and marvel at the beauty of creation and, like Jesus, take lessons from it for your spiritual life.

For Reflection

How often do I spend time outdoors enjoying nature? What messages from God can I find in the natural world today?

Fr. Mark Haydu, LC

Eye of God in the Woods, 1949 (Charles E. Burchfield, 1893-1967); watercolor on paper; Collection of the Monumenti Musei e Gallerie Pontificie, Vatican City, Rome.

One-Minute Meditations:

St. Lawrence of Brindisi (July 21)

Born to a family of Venetian merchants in Brindisi, Naples, St. Lawrence's parents died when he was young. Educated by an uncle, he entered the Capuchin Order when he was sixteen. He was ordained seven years later.

A Biblical scholar and preacher, St. Lawrence had a gift for languages, including Italian, Latin, Hebrew, Greek, German, Bohemian, Spanish, and French. He worked to spread the influence of the Capuchin Franciscan order, establishing monasteries in Germany and Austria.

St. Mary Magdalene (July 22).

Mary Magdalene was the woman from whom Jesus expelled seven demons in St. Luke's gospel (Luke 8:2). She helped to financially support Jesus' ministry and stood by the cross of Jesus with his mother. She was the one who first informed the Apostles of Jesus' Resurrection.

Can you see God? Are you aware of God's presence in your life? Looking for ways in which he blesses us rather than thinking about prayers he hasn't yet answered make us more aware of how he moves in our lives. Of course, God is always with us whether we see him or not. Ask him to give you eyes to see him.

"Trust always in your God. He does not lose battles,"

-St. Josemaría Escrivá-

Dear Padre

Why does the Bible have two creation stories?

Scholars believe these stories (Genesis 1—3) were written by two authors during different times and situations in Jewish history. The first story focuses on the creation of the universe; the second emphasizes the creation of man and woman.

The creation account that appears first in the Bible (Genesis 1:1—2:4a) was written six centuries before the birth of Christ by a priest wanting to reaffirm for the Jews that only one God is the all-powerful creator of all that exists. At that time, a belief in several powerful, warring gods was common in the cultures surrounding Judaism.

The story that appears later in the Bible (Genesis 2:4b—3:24) was actually written earlier—four centuries earlier—by a sage in the court of King David. It affirmed that human beings have an inherent dignity and a responsibility to live within boundaries. They must obey God, a rule that applies to kings as well.

Both accounts contain the closely held beliefs regarding human dignity (made in God's image and likeness) and responsibility (care for the earth as God would care for it) that are core to the Christian faith. At their heart they teach us through symbol and story about that God who is partially knowable, the source of life and hope amid the chaos and loss that beset every generation.
